March 2019

Leprechaun Daze Car Show

by James Norman

On March 18th the Fourth Corner Elites hosted their annual Leprechaun Daze car show. Rick, Miss Susan, Ed & Shelly, and James all met at the old McDonald's in Burlington at 7:30. Just after 8:00 they hit the road to Hardware sales in Bellingham where the show was held. The drive up was un-eventful unless you count the gratuitous scaring of the Prius we encountered. Arriving at the show, they parked and noticed the Grams (James & Miss Lisa) were already there. A quick chat later revealed that they had driven earlier as a precaution due to their new 85 Shelby Charger.

Later Miss Susan, James and the Grams had a nice lunch at the local DQ

Leprechaun Daze (continued)

Later in the day, after lunch, Club Vice President Roland and new member Brent made the show field rounds.

James met a local couple with a 67 GT, and another couple that had a 16 Mustang. Both couples expressed interest in the club. Hopefully we will see them at an upcoming event or meeting. As we were walking to the awards presentation, we were surprised by James Gram. We learned that at the awards ceremony he and his 79 COBRA had won a Second place in the 73-79 Class, and he had picked up the trophy for the 2001 and newer class. The first place winner there, was Edward and his Prototype ROUSH. After the show we found ourselves cruising back together. A great day for ICMC.
