Guest Speaker: Bill Johnson President of Mustang Club of America.

Bill shared his history and love of Mustangs, and what brought him to running for the position of president of Mustang Club Of America. MCA is a non-profit organization dedicated to the preservation, care, history and enjoyment of all model year Mustangs, with 170 local chapters in the US. For more info you can visit there website @ www.mustang.org. Bill encouraged us to join MCA, which would give us many benefits as a club and as individual members including insurance that would cover the requirements for our car shows.

New Business: We were asked by North Olympic Mustang Club to sponsor a trophy class at there car show. A vote was taken and accepted to support their club. Their car show is May 3rd, which also happens to be the 25th Anniversary Spring Show & Shine.

Car Show: Discussion included using Pioneer Street for the car show with information given on the requirements to do so. With little interest from members, more research will be done to find other locations.
