## Wicked Stangs Club On Whidbey Island

On the night of the 23rd at the old Ford dealership, Joe, Richard, Charles Chris, Miss Rae & Miss Hayden and James attended the first meeting of the Whidbey chapter of the Wicked Stangs Mustang club. The club was started in San Diego and has spread nationwide. You can check out the Whidbey forum at (<http://www.wickedstangs.com/community/forums/ws-whidbey-island.72/>)

Their club is geared towards racing (at the track) and member participation. They seem to be a great bunch and very happy to have started a chapter here on Whidbey.

We introduced ourselves and welcomed them to the neighborhood. We also look forward to having our two clubs getting together for upcoming events.

### Lynden Cruise By James Norman

On the 26th of March, members of Island Classic Mustang Club headed out on a cruise to the Lynden Pioneer Museum. In attendance were James, Ernie, Phil, Joe & Miss Helen, Roland, Chris & Miss Ashley, and girls, and new members Brent & Barb and Nina & Stan. With Brent & Miss Barb joining we have a 90 Fox body convertible in our club

stable. Miss Nina & Stan bring a beautiful 2010 GT500. With everyone's memories turned to last month and a shaky forecast for the day they headed out along the back roads of Skagit and Whatcom counties. James led the first leg of the cruise. The first stop of the day was the old single lane bridge on Mosquito Lake Road.. James had everyone stop, and then managed to get a photo of each car as it crossed. We then gathered for a few minutes for photos.

Joe then took over lead duties and got everyone back on the road. We headed to and down SR 542 to I-5 and Woods Coffee in the Birch Bay shopping center. There they met up with another fox body convertible, a

93 SE in white. While waiting in line for coffee, the group decided to head over to Bob's Burgers for lunch. A great lunch, was had with plenty of conversation and laughter, before regrouping and heading out for the last leg to the Lynden Pioneer Museum.

Joe led through town where the cruise members definitely made a spectacle of themselves. Many a passerby turned their head as 8 rumbling Mustangs traveled through town.

The Lynden museum was a treat for all. Thanks Joe!
