Blaine 4th of July Show

Chris, Miss Helen and Joe met up at Wood's Coffee and headed up to Blaine for their annual 4th of July Show. Unfortunately, their Mustangs didn't rack up any wins, but our trio had a great time anyway.

Mustang's Northwest Pony Trails

On the 15th of July, Joe & Miss Helen, James & Shadow, and Rob & Miss Rae, drove down to Bellevue to join our friend's Mustang Northwest annual Pony Trails event. This years even consisted of a cruise from Bellevue, through Issaquah and then on up to Crystal Mountain.

How is this for a gas station picture?

Thanks to construction, we got this great pic of ICMC ponies

Mustang's Northwest Track Day

On the 14th of July, Joe and James went down to Pacific Raceway... Joe to run his PJ and James to photograph the day.

The day started very early as they had to be ready for the 9:00 start.

The participants/racers were broken up into 3 groups. Advanced, Intermediate and Novice.. Each group was given a 20 minute run. Which was started with a restored 79 Pace car leading the way.

Cars and drivers of all persuasion were involved; FR500s, COBRA

Jets, GT500s, Boss 302s, SN95s, SN197, Foxs, and even a few vintage Mustangs.

Performance was the name of the game as some of the faster cars must have hit 150+ on some of the back stretches. Joe commented he was hitting 80 and 90 in the slower portions of the track.

James managed to get quite a few shots and a bit of film of Joe, and some of the other participants.
