### **Meeting Location Change**

Oak Harbor has a road project taking place on Pioneer Way. ICMC members Rath and Rob's family business, Sweet Rice Thai, is one of those impacted. At the May meeting, it was voted on unanimously that we have all meetings for the rest of the year at Sweet Rice Thai. The food is great, we help out fellow members, and we have a stable meeting location. A win win for all.

## Photos and Stories Needed

Your fellow ICMC members want to know what shows you've been to, and what you saw there. Yep, you guessed it, we need photos stories and articles for the newsletter. Next time you hit a show write a quick paragraph and snap and snap a few photos and send them in to James the newsletter editor.

We can also use any "How To" articles "you" have come up with. We want to use articles written by members.

### Port Angeles Show

The weekend of April 30th ICMC members Brian and Justin (pictured at left) went to the Port Angeles show hosted by North Olympic Mustang Club. They both walked away with 2nd place wins in their class.

Brian and Justin's win were the first awarded to ICMC members this year. Congratulations to both!

### Arlington Show

On the 21st of May, ICMC members Sammy and Charles headed out to Everett for a car show they had heard about. Upon arriving they found out the show wasn't there. They ended up at the Arlington Smokey point show where they both took home trophies in their respective classes. Sammy won for Best Modern Muscle and Charles won in the Hat Pick.

Knowing the stats of Sammy and Charles' Mustangs these were well deserved wins. Congratulations to both!

### Foothills Toyota Show

By James Norman

On the 14th of May, I looked out the window and saw rain. Just what I needed I thought. I had spent the week before in Seattle working and had made it home late Friday night. I hadn't washed my car and with the rain I wasn't about to take the Eloise the 66.

I can just relax and rest or so I thought Just as I was getting ready to start relaxing, the phone rang. It was Justin. He was wondering If I had received the e-mail regarding the time change for our meet up. I hadn't. I explained my situation and thoughts of skipping the show. He related that he, Kevin & Miss Kimberly, Steven & his wife, and Chris were all there and ready to go. I wished him luck and said have fun.

Justin is a persistent fellow and talked again after they stopped for breakfast. I eventually grabbed my gear and Shadow the Wonder dog, and off we went to the car show. Along the way I called Joe, only to find the bad weather had socked him in and showed very little sign of letting up. I eventually made the show at Foothills Toyota. What a great show it was too. There

were cars from all across the spectrum. Corvairs, Mopars, Trucks, 50s Cruisers, Hot Rods, and of course Mustangs. ICMC had 5 Mustangs entered. Our friends Wicked Stangs arrived with quite a few of their Mustangs. They even walked away with a couple wins in their classes. Chris was the big winner for ICMC as he won a few of the raffle prizes.
