Island Classic Mustang Club's 17th Annual Horsepower at the Harbor

Six O clock in the morning came early for ICMC, but as promised all members arrived and started setting up for the car show. Members helped set up the prizes map out the parking area, set up guide cones and designate the photo area all in time for our first participants. We had over 65 cars arrive and from what chatter could be gkeaned it seems everyone that participated, had a really great time. After the show a few members headed into town and had a very well deserved meal at a local Mexican restaurant.
