Old Business

Club dues are now past due. Members not paid up by the March meeting will not receive club correspondence until they are paid. Dues are \$15.00 per family.

Members voted to change the bylaws. The changes were approved and new bylaws will be handed out by the March meeting to members present.

Letters for corporate sponsors are being mailed out as they are identified. Don't forget we need sponsors for the show by the June meeting to follow through with the show in September.

New Business

Ernie brought in a few frames and ideas were bounced around. The favorite theme seems to be the picture frame on a placard with a Challenge coin. Ernie is looking into frames and Rob is looking into a source for the coins.

We had two guest show up at the meeting and both joined us and became members.

If you have suggestions for future meeting locations, bring them to the meeting with as many details as possible.

The 50/50 winner was Joe. Congratulations!

Boomers Blizzard Cruise

By James Norman

On the 19th of February, I pulled my 66 Mustang out of the garage and loaded up Shadow the Wonder Dog, and off we went, mapping the way for the following weekend's cruise to Boomers. The weather was beautiful and all was right with the world.

A few days later Old Man Winter decided he wasn't through with NW Washington, Skagit county in particular. There was up to 18" of snowfall in some parts, and temperatures dropped

so low, that Al Gore was changing his mind. The temperatures stayed low for the next few days, culminating on the 26th of February, the day of our cruise.

A few brave souls and their Mustangs gathered at the old McDonalds. Kevin, Miss Kimberly & Miss Taylor were in their Triple Black convertible, Chris had his newest acquisition, a black SVT COBRA, Rob, Miss Rae, Miss Hayden & Denali were in their GT, Mike was in his P51 Mustang and James & Miss Sonya were in their GT.

These brave souls debated the merits of the cruise and finally decided to forgoes the scenic route and blast down I-5 and meet Joe and his PJ,, who wisely decided to stop in Bellingham, at Boomers. The trip was uneventful and they made good time, and

were soon parking under the covered awning.

Food, fun and laughter were the order of the day, and even though the weather was not cooperating, the cruise was deemed a success.

After lunch everyone headed their separate ways, except for a few who kept running into each other in Bellingham.

Due to the weather keeping many from participating, this cruise will be revisited again. It should also be pointed out that Chris hit a patch of black ice and crunched the right rear of his COBRA. He is all right, so we ask that you send good thoughts his way that he can get his car fixed
