Mustangs West Show

by James Norman

On September 23rd a few of our fellow ICMC members; Edward & Miss Shelly, Rick & Miss Laura and James, met up at 5:15 in the morning at the Smokey Point Rest Stop. After waking up the sleeping travelers, they hopped onto I-5 and headed south to Lacey for the

Mustangs West show... the last show of the season.

Arriving around 8:30 ICMC members found themselves at the front of the line to get into the show. As they gathered to wait far in the distance a red convertible, with SALEEN blazened across its windshield turned the corner.

Our group walked down to view the car, only to be surprised by Miss Susan as she exited the brand new Saleen... the first Saleen convertible of the year.

Shortly thereafter we were given the go-ahead and were quickly sent to our parking spots. The rain made cleaning almost a non issue but we did do a light wipe down. After a quick wiping down we were off to judge the brave cars that had made the drive in the rain too. After judging we all sat and waited out the rain under a couple of canopies. With a Fred Meyer/Starbucks around the corner and a Jimmy Johns delivering sandwiches, almost all of our needs were met. James even managed to embarrass himself in a too small FOX suit.

We were cold, wet and miserable... but had an amazing time.

When it was time for awards, Miss Susan and Rick Thompson walked away with wins in their classes.

After the awards we decided to hit the tunnel, but our navigator Shelly found that traffic was full of accidents, so we decided to have dinner first at Shari's. Following dinner Shelly navigated us on the interstate, off, through town, back on, off, etc... and finally to the tunnel where we blasted through with wild abandon, scaring any Prius that was in

October Meeting Notes

Meeting took place at The Corner Restaurant in Anacortes.

The meeting started at 7:00 .

There were 13 members attending

Old Business: We need revenue to cover the bills. There was talk of canceling the website and going strictly social media. It would save \$250 a year. Storage is \$360, we need to find somewhere to store our gear. Ideas are needed to bring in members and revenue, if we want to have a show.

New Business: Fall/Winter cruises were discussed; Tour of Washington's ghost towns, Leavenworth over Christmas.

Ideas of impromptu Show & Shines
50/50 was not played.

The November meeting will be at Bob's Burgers and Brew in Burlington.
