Tulip Rallye

by James Norman

On April 27th, Sonya and I hopped into our 2016 Mustang Eco and headed down to Cascade Mall to the 34th annual Tulip Rallye hosted by the MG Club. Once we had arrived and checked in we wandered the parking lot. There were, Austins, Mitas, Fiats, Minis, Jaguars, Land Rovers, even a Lamborghini, and yes, Mustangs, under clear skies. At 9:30 all participants gathered for the driver's meeting, where

we were given last minute instructions. Promptly at 10:00 we were on our way. The way rallyes work is you follow directions and answer questions; some about the route and some general trivia. As stated at 10:00 we were off. We headed out of town and into the Mt. Vernon tulip fields, around and back thru the fields then off to Burlington, Bow and points around. Four and a half hours later we were feeling good as we dropped off our questionnaire. At 2:00 all the participants re-grouped for the results and handing out of prizes and trophies. We won a raffle prize, but not a trophy. The good news was we only missed seven questions... much, much better than last year. Next year? We plan on knocking it out of the park, next year.

North Olympic Mustang Club Cruise & Show

By James Norman

The North Olympic Mustang Club host their annual show in Pt. Angeles, every spring. It is the first “Mustang” centric show of the year and has become a favorite of many ICMC members. The festivities start with a fun cruise on Saturday followed by a show on Sunday. This year, Roland & Katie, Miss Susan and I participated. We all headed over Friday night, staying

at the host hotel.

Saturday morn-

ing we met up and headed to Shirley’s Café for breakfast. Following breakfast we headed to Price Ford for the cruise. There were 46 cars participating in the cruise. The route took us to the 7 Cedars Casino, the Alcohol Plant, and the John Wayne Marina. After the cruise we were off to find a good car wash to remove the road grime

from our cars. Later that night we met up at Downriggers for dinner., with Dan, and Eco-boost owner from Longbeach.

Sunday morning Susan and I found that our classes were parked in the hotel’s parking lot. Roland opted to not enter his car. There were 150 cars in the show. Once our cars were cleaned up and we had officially been registered we all headed over for breakfast,

where we were

soon joined by an old ICMC Brad, now living in Sequim. Speaking of old friends... the show field had a host of familiar cars and a few new ones. Nearly every generation of Mustang and Cougar were represented, a Pantera, a Probe, even a Packard, were on display.

The award ceremony started at three, with Miss Susan winning a 2nd place with her Saleen powered GT convertible.
