Newsletter Editor Plays Hooky

At the last ICMC meeting, the club's Secretary failed to show and take notes of the meeting. We had a Substitute Secretary, but our missing Secretary failed to connect with our Substitute and get the meeting information. Fortunately for you dear reader, there will not be any noticeable deviations from the quality you have come to expect from ICMC's newsletters. Please forgive the Tongue & Cheek nature of this month's edition and enjoy Sig's article.

ICMC at International Mustang Meet, Helena Montana

By Sig Hansen

Sharon and I have been attending the International Mustang Meet held in alternating years between the US and Canada since 1998 when we travelled with a group of cars to Red Deer, AB. We've missed a few years when the meets were held in Saskatchewan and Manitoba. We had planned to meet some friends from Canada on the trip to Helena but their plans fell through and we made our own way to Helena.

Our first diversion to our excursion began when we turned off onto the Yaak River Road and followed it. There were some really beautiful areas along the narrowing road back to Highway 2. One of the really pretty areas on the road was a stop at Yaak Falls. There was no cell service on most of this diversion. Fortunately, we had no problems and made it to White Fish, MT.

The next day, we passed through Glacier National Park and a fair amount of smoke. Days later, some of the building on the east side of the park burned down due to all the fires that plagued Montana this year.

While we were at the show in Helena, there were several events that Susan, Roland, Katie, Sharon, and I took part in. The first was the show where one could stay hydrated with free water or beer available for \$3.00. This is Montana after all. Another item on display was a number of exotic Ford V-8s on movable carts. Some of them were able to be run.

The next day was an opportunity to get your car photographed with a P-51 Mustang. Susan came up with the idea that we have all three Windveil Blue Mustangs in one picture. We have a picture called "The Best of ICMC".

Other events, that we participated in, was a BBQ, car tour which included the picture with the P-51, and an awards banquet. Mostly, Sharon and I go to this event because of all the friends that we've made over the years. We all know that Mustang owners are the best.
